

Inspiration for a Tired Soul

A breakfast session

Presented by the SA Chapter of Association of Proposal Management Professionals

There is real magic in enthusiasm. It spells the difference between mediocrity and accomplishment - Norman Vincent Peale

CEO's, Bid Managers, Proposal Writers, Sales Managers and executives... We've all spent the year inspiring others to engage with us, trust us and inevitably buy from us. Normally this is by conjuring words written and verbal. The output has exceeded the input so come along and take a back seat for a change, relax and be energised anew! **Jacques de Villiers**, consultant, sales trainer and professional speaker will, with his talk "**How to Persuade Anybody to Do Almost Anything**", entertain you, motivate and inspire you to go back to the office and ignite your teams
